Lighting Trunking - Galvanised

- Flytec lighting trunking 50mm x 50mm is available in either 4 or 5 metre lengths
- The trunking may be fixed directly to the ceiling or suspended by hanging brackets
- Lids in 2 metre lengths can be supplied in galvanised or white PVC material
- Long connectors fixed internally between trunking lengths provide strength and rigidity throughout the trunking run
- Accessories are generally a one piece construction complete with internal fitting connector

Lids and connectors must be ordered separately with lighting trunking

50mm x 50mm Trunking body
